Values

Commitment – We demonstrate our pursuit of individual and organizational development by always going above and beyond to find the answer, discover the cause, and advocate the most appropriate course of action.

Community – We demonstrate our effectiveness and quality in complete transparency with each other and in line with the values of our medical center.

Empowerment – We prove our promise to patients and our dedication to both organization and community through the manner in which we empower each other and carry out each action.

Integrity – We set a strong example of behavioral and ethical standards by demonstrating our accountability to patient needs and our devotion to performing alongside one another as we exhibit our high standards each and every day.

Quality – We demonstrate an exceptional and enduring commitment to excellence. We are devoted to processes and systems that align our actions to excellence, compassion and effectiveness on a daily basis.

Respect – We embrace equality on a daily basis through positive, personal interactions and recognize the unique value within each of our colleagues, patients, and ourselves.

Transparency – We demonstrate complete openness by providing clear, timely and trusted information that shapes the health, safety, well-being and stability of each other and our community.
